

Cotes du Roussillon Rouge Authentique Domaine Lafage 2020

Domaine Lafage has been growing grapes in Roussillon for six generations, but it was Jean-Marc Lafage who had the ambition to stop selling the grapes to the local co-op and create a domaine.

Tasting Note

This full bodied red wine has an intense fruity nose with an abundance of blackberries and cherries, violet, vanilla and liquorice. Rich and pleasantly structured, with an elegant finish.
