

Gerard Bertrand Prima Nature Grenache Rosé Organic, Occitanie

Prima Nature is a range of without added sulfite wines that offer particularly pure, generous and intense aromas. This cuvée has a beautiful pale pink colour and reveals delicate and tasty aromas...

Tasting Note

Prima Nature is a range of without added sulfite wines that offer particularly pure, generous and intense aromas. This cuvée has a beautiful pale pink colour and reveals delicate and tasty aromas of red fruits, raspberry and strawberry on the nose. The palate is delicate and opens on floral notes. Enjoyed at 10°C as an aperitif, with salads.
