

House of Arras Blanc de Blancs Museum

Lifted nuances of white flowers, exotic spice, fresh pastry and sea spray on the nose. Enticingly complex with characters reminiscent of grapefruit, sourdough, field mushroom, marzipan and oyster...

Tasting Note

Lifted nuances of white flowers, exotic spice, fresh pastry and sea spray on the nose. Enticingly complex with characters reminiscent of grapefruit, sourdough, field mushroom, marzipan and oyster shell. The dosage balance point is exceptionally low supporting a dry and crisp style built around a firm natural acid line.
