The Reserve Sauvignon Blanc grows in the South Okanagan Valley, where it thrives in the soil, microclimates, and terrain of our estate owned and farmed vineyards. Specific vines from meticulously...

## **Tasting Note**

The Reserve Sauvignon Blanc grows in the South Okanagan Valley, where it thrives in the soil, microclimates, and terrain of our estate owned and farmed vineyards. Specific vines from meticulously selected vineyard blocks in Osoyoos and Oliver were chosen to achieve an incredibly bright wine highlighted by notes of citrus, passionfruit and lime.
